Deb & Claire,

I am hoping to visit the Vorhes farm the first week of May, I will contact you when I know what day in case either of you would like to join me. I have spoken with Mr. Vorhes and requested a written update summarizing any changes in the past 10+ years. I will share with you any information he sends me.

Sincerely,

Terri

Update:

Ben Meissner just got back to me. We spoke and we will swap documents sometime next week, when someone is able to access the file.

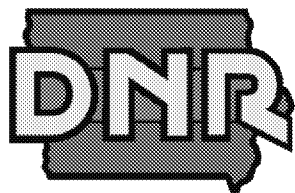

Ben also shared that Ethan Vorhes has reached out to EPA as well, and Theresa Brink is planning a site visit.
